

SUMNER

CENTER PUNCH

- Easy to read digital gage.
- Spring loaded striking hammer.
- Magnetic base
- Removable gage with magnetic base.

Center head with magnetic aluminium base can be used on the circumference of pipe or tanks. Digital gage provides highly visible, accurate reading when establishing a centerline. Built in spring loaded hardened striking pin marks location with the push of a button. Detachable digital gage comes with a magnetic base for additional levelling applications. Plus, digital gage doubles as an angle finder and can be zeroed out during fabrication.
